INTRODUCTION

** Sample Position for PXT Select **

This report shows how multiple candidates compare to one another and to the Performance Model for **** Sample Position for PXT Select ****. This information will assist you in choosing the candidate(s) who may be the best fit for the position. However, it **does not address** education, training, or experiences. It's important to remember that the results from this, or any assessment, should never make up more than a third of the final decision in job placement.

What's in this report?

CANDIDATE FIT Each candidate's results from the assessment compared to the Performance Model	COMPARISON Candidates' results for each scale are placed together for easy comparison	PERFORMANCE MODEL Range of scores on each scale typical for success in the position
--	---	---

If candidates have the same initials, they will be issued a subscript number to differentiate them.
